INTRO

The platform for hassle-free gifts.

Organisations that invest in their **employee experience** generate up to twelve times more revenue and experience up to 40% less staff turnover. There's absolutely no doubt that appreciation and recognition play a key role in this.

But one in three employees rarely gets this, if ever. At Kadonation we want to change this for good. With our innovative platform Kadonation Select, we're already helping over 200 companies show their **appreciation for their employees** in a simple and personal way with **the ideal gift** on those occasions that matter

Kadonation Select

Kadonation Select is the platform for **hassle-free gifts**. No more endless searches for the perfect gift, no more administrative headaches, and no more ad-hoc initiatives or inconsistencies in your organisation. Making everyone happy, that's our goal.

ALL-IN-ONE

Your complete employee rewarding journey in one handy platform

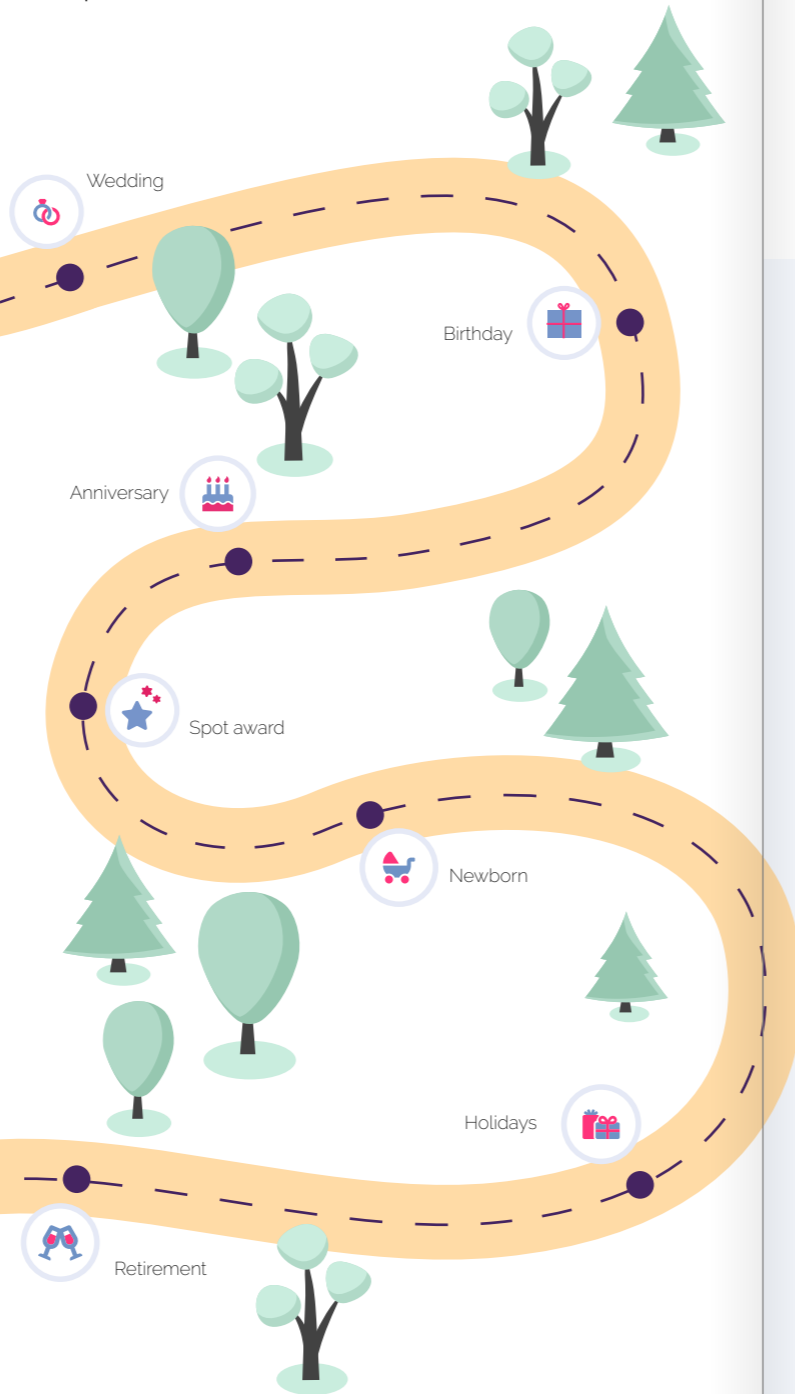

There are lots of **important occasions** in the personal and professional lives of your employees.

Like onboarding, birthdays, or an end of year or spot bonus. Or perhaps you just want to thank your **business partners**. No matter the occasion, Kadonation Select is the simple way to increase **employee happiness**.

User-friendly one-stop-shop

Kadonation Select is an **innovative and intuitive platform** that lets you order unique, **personalised gifts** in just a few clicks. It's hassle-free and really simple. You're always in control and have an overview of your orders and costs.

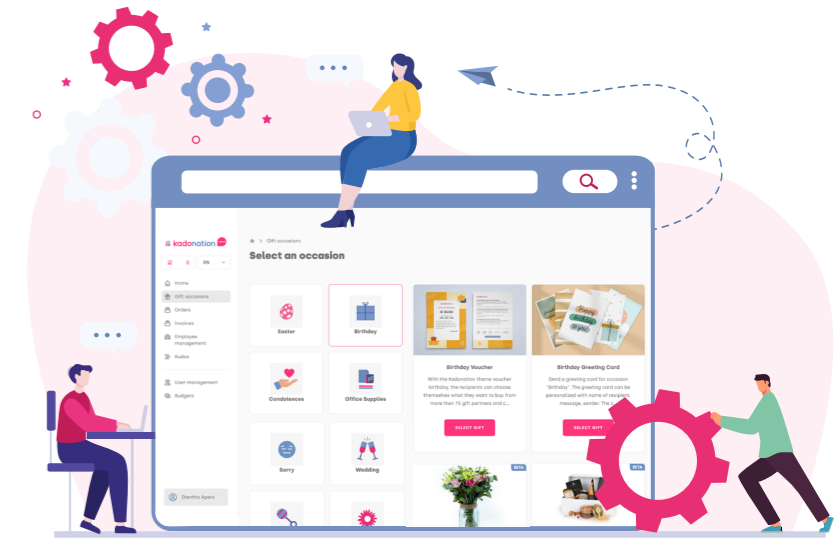

You can even choose to set up your own automated flow to surprise your employees for important personal milestones. And best of all? It's **completely free**. Easy, right?

INNOVATIVE

Platform under constant development

The platform is being improved **every day**. We are constantly talking to our users and always adding **new updates and functionality** based on their needs.

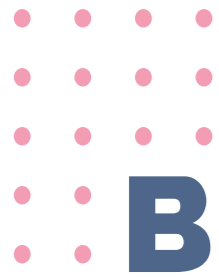

WIDE CHOICE

Wide range of physical and digital gifts

The **Kadonation Gifts** are carefully selected based on detailed, quality market research. You'll find the **perfect gift** for every occasion.

-  The Kadonation Gift Voucher offers the ultimate freedom of choice. It can be exchanged at **100+ partners**, is valid as long as you want it to be, and can be styled in your company branding.
-  Prefer a **physical gift**? You can also choose from a wide range of wonderful gifts such as flowers, chocolate and sharing baskets.
-  Give your employees a bit of boost with a **greetings card from the heart**. Choose the design, write your message, and let us take care of the rest.

BENEFITS

Save time

Kadonation Select is a **user-friendly one-stop-shop**. Find the **perfect gift** in no time without the hassle of invoices or receipts. Or set up an **automatic flow** to surprise your team on personal occasions like their birthday. Make showing appreciation in your organisation the most natural thing in the world.

Management

You're in charge. Decide who can order gifts on the platform, agree on the occasions, and choose your own selection of the offered gifts. This way, you always retain **control** over your gift policy, across all branches. Your invoices can also be found digitally in **one place**.

Personalisation

Add a **personal** text or video message to your gift with some heartfelt words from colleagues. After all, the gift is just a way to communicate your message. Let's face it: nothing is as memorable as a pat on the back from your team. And completely styled in your own **company branding** of course.

Automation

Automation isn't a goal in itself of course but here it's a **real time saver**. Integrate with your **HR system** using the API and no employee or occasion will get forgotten ever again. Set up **handy reminders**, or send gifts automatically for birthdays, anniversaries and more.

General Secretary at Europabank

3 STEPS

for creating the best gift policy.

1. Choose your occasions.

- Decide **when and what** you want to surprise your colleagues with.
- Set up an **automatic flow** or handy **reminders**.
- Order quickly and easily via **integration** with your HR system.

2. Set the boundaries.

- Decide who gets **access** to the platform and with which **permissions**.
- Decide the **budget** per site, department or team.
- If you like you can also set up an **approval flow**.

3. Stay in control of the numbers.

- Keep an **overview** of completed and open orders.
- Choose between per-order **invoices** or adding your orders to a **monthly invoice**, with all the references you need for your accounting.
